Notice of intent to begin assembling for Sunday morning worship, June 14th:

SUGGESTIONS & INFORMATION

1. The church will meet for our 10:30 am, Sunday morning worship only. The intent is to have no Sunday morning, or Wednesday evening classes, and no evening worship on Sunday until further notice is given.
2. Anyone who may have Coronavirus symptoms, or has been associated with others who have, is encouraged to self-quarantine for a safe period of time before attendance at the service.
3. Any high risk individual is encouraged to wait until you are comfortable before returning! The primary concern of the elders is for your safety! High risk individuals would include individuals with chronic lung disease, or moderate to severe asthma, those who have serious heart conditions, individuals who are immunocompromised, people with diabetes, those with chronic kidney disease who are undergoing dialysis, individuals with liver disease, and other such things.
4. Hand sanitizer will be placed in the foyer and in all restrooms. We encourage everyone to sanitize their hands upon entering the building.
5. In consideration of others, all individuals are encouraged to wear face masks. By doing so, some studies have shown that risks of catching the virus are reduced as much as 75 %.
6. Sealed, individual, communion packets will be placed in the foyer and members are encouraged to pick yours up when you enter to worship.
7. Everyone is encouraged to give a verbal greeting only, without touching.
8. Everyone is encouraged to leave every other pew vacant and space yourself at least six feet from others. Family units, of course, may sit together.
9. A contribution box will be placed in the foyer and you may place your contribution in it.
10. For the benefit of those unable to attend, the service will be live-streamed on Facebook and then uploaded onto YouTube.

The elders, preachers, and office personnel miss all of you brothers and sisters tremendously, and look forward to seeing you! We love you all, and thank God for you!
