## The Bible's Potential

By Phil McIntosh

The holy text you carry around with you, be it a digital or paper copy, is one of the best gifts the world has ever been given. It is a travesty that more people don't read it; the solutions to the problems that plague the world are recorded there for anyone to read and apply, if only they would. This holy text is *inspired* by God (**2 Tim. 3:16**), which means it was "God breathed." God literally transferred His communication to a variety of men who then penned, disseminated, and protected these holy words (**2 Pet. 1:20-21**). Therein is truth located. Therein is grace revealed. Therein is wisdom contained. Have you let it show you those things?

When one thinks about their Bible, perhaps many words might pass through their mind to describe it. Think of a few for a moment. Go ahead -literally- stop reading this and think about a few words you would use to describe the Bible...

Now, was *potential* one of them? Maybe. Maybe not. But the Bible is full of potential. It is replete with examples of potential ancient servants for God, potential victories, potential failures, potential Christians, potential wars, and potential rewards. I once heard someone say that potential meant you hadn't done it yet. Has anybody ever told you that "one day you'll make a good..." fill in the blank? It means you possess the desire and aptitude, but you have not yet realized the fullest iteration of that greater version of yourself. Merriam-Webster defines *potential* as "existing in possibility." How could the Bible, God's holy, perfect, complete, inspired communication with the world, ever be spoken of in terms of possibilities?

The lack of fulfillment of realized potential is not reliant on the Bible. If it was, everybody would be what God wants us to be. If we were to determine the actual responsibility for realization, the true force of the potential resulting in an effective and faithful Christian rests upon the individual. You choose whether you love God. You choose whether you are willing to "count the cost" (**Lk. 14:28**) and keep your hand on the plow (**Lk. 9:62**). But *potential* is still written about in the Bible, and about the Bible. One verse where such potential is discussed I've already listed for you in this article. After Paul told the young evangelist Timothy that the Bible was inspired by God, he then followed that with what the Bible was useful for, that it "is profitable for doctrine, for reproof, for correction, for instruction in righteousness, that the man of God may be complete, thoroughly equipped for every good work" (**2 Tim. 3:16b-17**). Also, if you'd note in the verse just prior, Paul said that the "Holy Scriptures" were "able" to accomplish something. Go read what that is (**2 Tim. 3:15**). What did he mean? Is he not speaking of the *potential* of the Bible? God's word does not force you to listen to or obey it. God's word does not manipulate your mind and place itself in your heart. However, that takes nothing away from its ability. It forever retains the *potential* to change your life for eternity.

Now that we're all on the same page, metaphorically speaking, let me introduce to you the key to assisting the Bible achieve its potential in your life. Jesus made it

plain that there were two types of people who would listen to Him- those who listen and do, and those who listen and don't (*Matt. 7:24-27*). Jesus' words were just as *potent* to both groups. Jesus' words had the power (i.e., potential) to forever change the lives of those who heard them. However, on some the potential was wasted and fell to the floor short of their desire to effect change because the recipient did nothing with them. This is the picture that one of the Lord's brothers painted for us later in the New Testament. James (*1:21*) said that the "implanted word" "is able to save your souls." Watch how he follows that up:

"But be doers of the word, and not hearers only, deceiving yourselves. <sup>23</sup> For if anyone is a hearer of the word and not a doer, he is like a man observing his natural face in a mirror; <sup>24</sup> for he observes himself, goes away, and immediately forgets what kind of man he was. <sup>25</sup> But he who looks into the perfect law of liberty and continues in it, and is not a forgetful hearer but a doer of the work, this one will be blessed in what he does."

James 1:22-25

Did you notice how verse 22 began? Remember, there are important words in the Bible that are large, and there are important words in the Bible that are small. This is one of those places where a little word has a hurricane's force of impact. James says, "but" *do* the word of God. Why does he write those words? Because the Holy Scriptures have the *potential* to save your soul, but it means nothing if you don't handle it, digest it, and live it. The word of God is powerful and effective for creating and educating Christians. Likewise, it has the potential to strengthen and challenge Christians of all levels of experience and urge them to hold themselves to the standard God revealed. The Bible has potential; will you let it change your life, or will you leave it unrealized and with outstretched arms?

### SCRIPTURE READING

“The Last Mile”

Hebrews 3:14-19

- “<sup>14</sup> For we are made partakers of Christ, if we hold the beginning of our confidence stedfast unto the end;
- <sup>15</sup> While it is said, To day if ye will hear his voice, harden not your hearts, as in the provocation.
- <sup>16</sup> For some, when they had heard, did provoke: howbeit not all that came out of Egypt by Moses.
- <sup>17</sup> But with whom was he grieved forty years? was it not with them that had sinned, whose carcasses fell in the wilderness?
- <sup>18</sup> And to whom sware he that they should not enter into his rest, but to them that believed not?
- <sup>19</sup> So we see that they could not enter in because of unbelief.”
