## **THE FAITH, part 1**

By André Pettaway

♦ ♦ ♦ ♦ ♦ ♦ ♦ ♦ ♦ ♦

The Bible defines the word "**Faith**" in Hebrews 11:1, New King James Version (NKJV), "<sup>1</sup> Now **faith** is the substance of things hoped for, the evidence of things not seen." The Strongs Concordance list this word from the Greek language as **G4102**. Under the **G4102** reference the Transliteration is: "**pistis**". The Pronunciation is: "**pis'tis**." The definition from G3982; *persuasion* that is *credence*; moral *conviction* (of religious truth or truthfulness of God or a religious teacher) especially *reliance* upon Christ for salvation; abstractly *constancy* in such profession; by extension, the system of religious (Gospel) *truth* itself; - assurance belief believe faith fidelity.

The Interlinear Bible, page 934, has the plain text English on the left margin. The Scripture itself is printed with the Strong's Concordance reference number G4102 right above the original Greek writing of the word "faith." The translated English word "faith" is directly below the Greek writing. The plain text English reads, "Now faith is *the* substance of things hoped for, *the* evidence of things not being seen."

...of religious truth or truthfulness of God or a religious teacher) especially **reliance** upon Christ for salvation; ...
