## MY ATTITUDE

Shepherds Notes

By Zack Petties

Sometimes, Christians today have difficulty attaining respectability from others due to a case of a bad attitude on their part. Some are recognized as impassioned, judgmental, harsh, and unpleasant to be around. Often times Christians are disliked not because of the Gospel presented, but the attitude projected when we bring the message. Too many times, Christians don't demonstrate attitudes that are worthy of the gospel, as Paul speaks of in Philippians 1:27.

Sometimes, a bad attitude is accompanied by many ungodly traits such as ungratefulness, complaining, envy, jealousy, and even anger, just to name a few. The longer our bad attitude is harbored in our lives the more severe it can become. A bad attitude is derived from a prideful heart that Satan uses as a tool.

We can recall people we used to hang with who were complainers, used bad language, had ungodly actions, and expressed these attitudes towards someone, or something. Surrounding ourselves with people of this nature can influence us and rub off on us so that we act in the same way. In 1 Cor. 15:33 it says, "Don't be fooled by those who say such things, for bad company corrupts good character." Our character and attitude should be that of Christ's so that we are willing to serve others, and not ourselves! Our attitude towards the lost should be compassionate, forgiving, and helpful so that we can participate in the great ministry of reconciliation that Paul speaks of in 2 Corinthians 5:18.

Christians who have wrong attitudes can help themselves by remembering what Peter said to Simon in Acts 8:22, "Repent therefore of this your wickedness, and pray God if perhaps the thought of your heart may be forgiven you." Christians must bring their attitude to the obedience and righteousness of God's word! Those outside the body of Christ have to be assured that true faith in Christ Jesus develops a changed attitude! In the Christian!

In Love,

Brother Petties
