

Christian women would do well tuning out the femvertising pushed on them by our culture, and instead look at women in the Bible like Hannah and Mary—women who humbly set about being good mothers. Instead of kicking against the goads in rebellion, we need to raise up a generation of women who realize their power comes from harnessing meek and gentle spirits that are willing to train up the next generation of warriors for Him!

### *Ladies*

Please sign up in the foyer with the dish you would like to bring and a wrapped ornament for the ornament exchange.
